GREENSLEEVES
As recorded by Arr. by Barry Wahrhaftig

Performance Notes

'Greensleeves,' has lots of possibilities for harmonic substitution. I used some open sounding quartal chords & some back cycling, trying to keep it sparse yet interesting. I used some suspensions at the phrase endings. Experiment with the rhythms and changes. Check out Howard Morgan's versions of the song, they're very good. I didn't do an intro, so make up your own.
