'JOSEPH-JOSEPH'

Performance Notes

Joseph-Joseph, a popular song with Gypsy Jazz players was originally a klezmer tune, called 'Yosl-Yosl.' Like 'Bei Mir Bist Du Schôn,' it's a favorite of G.J. players, and, it also has English lyrics, supplied by Sammy Cahn. It was recorded by the Andrew Sisters, and was a modest hit. Stephane Wrembel recorded it on his 1st CD, [Introducing Stephane Wrembel, Water Is Life Records 2002], [Called 'Petriarka'] There's a version on the CD Kouvola Junction, by Olli Soikelli & Paulus Schäfer, [Jazz Pearls-2012].
